(Second Reading 02-06-07)

Date: December 5, 2006

Agenda Item No. 7(D)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George J. Burgos
County Manager

Subject: Ordinance Approving the Transfer of the Documentary Surtax and SHIP Single-Family Homeownership and Rehabilitation Programs from MDHA to HFA

RECOMMENDATION

It is recommended that the Board of County Commissioners approve the accompanying ordinance pertaining to affordable housing programs, which (i) transfers the receipt, administration, and distribution of funds used for Documentary Stamp Surtax ("Surtax") and State Housing Initiative Partnership ("SHIP") programs, for single-family homeownership and rehabilitation, from the Miami-Dade Housing Agency ("MDHA") to the Housing Finance Authority of Miami-Dade County ("HFA"), and (ii) amends certain sections in the Code of Miami-Dade County (the "Code") related to the various housing programs administered by the County through MDHA.

BACKGROUND

Over the past few months, staff has been carefully reviewing the administration of the homeownership and rehabilitation portions of the Surtax and SHIP single-family programs. These programs are currently administered by MDHA, under the supervision of the Finance Director. Staff has met with several financial institutions in the community regarding the administration of the single-family programs and, based on the feedback received by staff, it has been determined that financing to qualified borrowers can be provided more expeditiously and cost effectively. In order to maximize resources to effectuate an affordable housing program that provides the necessary funds to the community in a comprehensive and expeditious manner, staff recommends that the HFA administer the homeownership and rehabilitation portions of the Documentary Surtax and SHIP single-family programs currently administered by MDHA.

A summary of the recommended Code changes are as follows:

1. Section 29-7 is amended to include language that (i) the property must be used as the primary residence of the borrower, secured by a deed or declaration of use restriction placed on property purchased using Documentary Surtax funds, and (ii) the County will provide random and detailed inspections on newly constructed properties. Such deed or declaration of use restriction prohibits the renting, leasing, or using the property as income or investment property.
2. Section 17-102 amends the program components of the current Local Housing Assistance Program which is financed in part by SHIP funds. The Local Housing Assistance Program shall now consist of the following components:
 - a. Housing Development Assistance.
 - b. Down Payment Assistance.
 - c. Housing Rehabilitation.
 - d. Homeownership Assistance.
 - e. Home Buyer Education and Counseling.
 - f. Other strategies and components.

3. Section 17-103 is amended to include the HFA, as one of the responsible entities for the implementation and administration of the Local Housing Assistance Program.
4. Section 17-105 is amended to include the HFA in the development of a local housing partnership so that the implementation of the Local Housing Assistance Program involves other County agencies, local governments, lending institutions, housing developers, community based housing and service organizations and other persons who can assist in providing housing or related support services.

FISCAL IMPACT

Additional resources will be required by the HFA to administer the program; at this time, the exact number of employees necessary and associated costs are not known. It is not anticipated that the County will pay more for the administration of the single-family homeownership and rehabilitation programs as a result of this transfer.

Senior Advisor to the County Manager
